	Furniture Safety Week #1	Furniture Safety Week Image	Safety first! All Copeland Furniture bedroom pieces meet the STURDY Compliance Act creating a safe environment for children to grow.	
	Furniture Safety Week #2	Furniture Safety Week Image	Safety First! Copeland Furniture Dresser and Chests are all shipped with an anti-tip tether that can be installed. It is best practices to ensure these tethers are installed by attaching them to a the solid wood panel at the top of your dresser in the back and to a stud in the wall behind.	
	Furniture Safety Week #3	Furniture Safety Week Image	Safety First! Copeland Furniture Dresser and Chests all include soft close glides with a interlock safety system. This system prevents children from opening more than one drawer at a time ensuring no piece of furniture becomes a ladder.	
	Furniture Safety Week #4	Furniture Safety Week Image	Safety First! All Copeland Furniture items are made from solid wood. Solid wood provides extra weight and support that prevents tipping while dovetail drawer boxes ensure items stay secure.
