

AUDREY DINING IN CHERRY

The double 'X' formation of the Audrey Dining Table trestle creates a state of dynamic tension giving the design a rigid base that provides diners with plenty of unobstructed leg room. Tables and Buffets are available in several sizes and configurations to meet the needs of almost any dining space.

All pieces are made of solid cherry hardwood and Made to Order in five finishes*. The finish is **GREENGUARD Certified** for low chemical emissions.

*Natural variations in solid wood and hand-applied finishes make each piece unique. Slight grain and finish irregularities as well as subtle differences in stain shades are signs that the furniture has been crafted from solid wood and are considered hallmarks of quality.

Extension Tables

Extension tables incorporate self-equalizing, ball bearing extension glides and a single 24" self-storing butterfly leaf for single handed operation.
