LISSE DINING

In a style that can be described as organic minimalism, Lisse exhibits graceful curvature and smooth, flush joints throughout. With its molded, sculptural lines, Lisse is a study in subtle complexity.
The Lisse Dining Room is crafted in solid cherry or American black walnut hardwood and Made to Order in six finishes*. Dining items in walnut are finished with a low sheen (10 sheen) topcoat. The finish is **GREENGUARD Certified** for low chemical emissions.

*Natural variations in solid wood and hand-applied finishes make each piece unique. Slight grain and finish irregularities as well as subtle differences in stain shades are signs that the furniture has been crafted from solid wood and are considered hallmarks of quality.
